

**MAKE A DONATION TODAY!**

Supporting Pretty Brainy is an investment in cutting-edge learning that succeeds in engaging girls in science, technology, engineering, art and math (STEAM) and inspiring their vision of how STEAM has a purpose in their lives. We are in alignment with some of the nation's best K-12 educators and education researchers, with the goal of ensuring the STEAM literacy of the students with whom we work. We believe every girl has a heroic mission. We know STEAM will help her succeed and equip her to richly contribute to her community and world. Seventy-five percent of your donation directly supports Pretty Brainy programs.
